

Parental Supervision

I am aware that although lifeguards are present, there are a few important guidelines for parental supervision:

- Children 5 and under must be accompanied by an adult swimmer in the water.
- Non-swimmers may be required to wear a life vest.
- Swimmers must pass swim test before entering beyond 3.5 feet area.
- Disciplinary actions for unsafe behavior may include a loss of swim time or dismissal.

Emergency Medical Treatment

I have disclosed to Machine Performance Center all medical/health conditions applicable to the participant which the staff should be aware. In the event of an accident or emergency I hereby authorize the participant to be transported to a hospital for medical treatment and I hold Machine Performance Center and its Entities harmless in the execution of such. Additionally, I hereby agree to cover all medical and transportation expenses which may be incurred as a result of any injury sustained by the participant while participating in programs at or using the facilities at Machine Performance Center. I have carefully read the above liability release and sign it with full knowledge of its content and significance.

Informed Consent

I, the enrolled participant and/or the parent/guardian of the enrolled participant, hereby agree and understand that swimming is a hazardous activity. I recognize that there are risks inherent in the activity of swimming, including but not limited to paralyzing injuries, brain damage and death. The participant hereby agrees to accept all risk involved with participant swimming at Machine Performance Center, including risks involved in being around water and in areas adjacent to water which may be wet. The participant hereby waives and releases Machine Performance Center and its instructors, officers, directors, owners, members, representatives, agents and employees (“Entities”) from any damage (including indirect and consequential damage), injury, loss or claim based on or arising out of the participant’s participation in the swim programs at Machine Performance Center or use of the facilities at Machine Performance Center, except to the extent caused by the gross negligence of Machine Performance Center. The participant agrees to indemnify, defend and hold harmless Machine Performance Center and its Entities against any liability resulting from any damage or injury that may occur to the participants while participating in the swim program or use of the swim facilities at Machine Performance Center.

Photo Release

I understand that photos and videos (herein and after collectively “Images”) are occasionally taken at Machine Performance Center and that any Images taken of myself or my minor child may be used. I hereby give Machine Performance Center my permission to license the Images and to use the Images in any media for any purpose which may include, among others, advertising, promotion, marketing or packaging for any product or service. I agree that the Images may be combined with other images, photos and graphics, and cropped, altered or modified. I agree that I have no rights to the Images, and all rights to the Images belong Machine Performance Center. I acknowledge and agree that I have no rights to consideration or accounting, and that I will make no claim for any reason to Machine Performance Center, with regard to such images.

Diapers

It is mandatory that all children under the age of 3 wear a double swim diaper; one disposable swim diaper and one reusable swim diaper. These diapers must fit snugly around the leg and waist. Bowel movements in the pool are a health hazard and will cause Machine Performance Center to close the pool and incur significant costs. Do not substitute plastic training pants or regular diapers of any kind for the diapers required herein. Use ONLY the approved swim diapers available at Machine Performance Center or the IDENTICAL brand from another vendor.

I have read the above Machine Performance Center waiver and agree to abide by all policies and procedures while using the pool and other facilities at the Machine Performance Center.

Child’s Name: _____

Child’s Age: _____

Does your child know how to swim? YES NO
